## Sheet Metal Training Agent Application - Site Visit

Company Name \_\_\_\_\_

Applicant Training Agent must provide photo evidence of the following:

- Sheet metal break
- Sheet metal sheer
- Pittsburg or Snap Lock Machine
- OSHA-approved ladder
- Layout table
- Sheet metal turning tools
- Spot welder
- Set of sheet metal rolls

The premises and equipment of the applicant Training Agent (excluding traveling Training Agents) may be viewed by a member of the committee prior to approval as a training agent to determine the applicant is qualified, has the minimum facilities and training conditions required of an employer to serve as an approved Training Agent. In most cases, photos submitted with the applications satisfy this requirement. It is assumed that the traveling Training Agent has complied with the same or similar conditions with its home apprenticeship committee. Employers may request a physical site visit instead of submitting photos.
