

Anesthesia Technology

Chemeketa Community College

Anesthesia Technology Application Fall 2023

It is the policy of Chemeketa Community College and its Board that there will be no discrimination or harassment on the basis of race, religion, color, sex, age, national origin, ethnic origin, sexual orientation, gender identity, marital status, citizenship status, pregnancy and related conditions, family relationship, veteran's status, disabilities, tobacco usage during work hours, whistle blowing, victim of domestic violence and genetic information in any educational programs, activities or employment. Persons having questions about equal opportunity/affirmative action should contact the Affirmative Action Officer at 4000 Lancaster Dr. NE, Salem, Oregon 97309-7070, or call 503.399.4784. To request this publication in an alternative format, please call 503.399.5192

Anesthesia Technology Program Information

Anesthesia Technology Program Information

The Anesthesia Technology Program is a limited enrollment, two-year AAS degree program. This program will accept 20 applicants.

Note: Preference will be given to applicants who have completed the prerequisites

Applications will be accepted until August 25, 2023. Applicants will be notified no later than June 16th of their application status.

Application Checklist:

- Anesthesia Application (page 3)
- Unofficial Chemeketa Transcript

Transcripts from Other Colleges and/or Universities

Applicants who would like to utilize completed courses from other colleges and/or universities will need to submit the following:

- Official transcripts
Submit official transcripts and forms to Enrollment Services at evaluation@chemeketa.edu
- [Request for Evaluation and Transfer of Previous Credit \(click here\)](#)

Immunizations and CPR

Accepted applicants are required to submit copies of required immunization records and a valid American Heart Association (AHA) Basic Life Support (BLS) provider certification.

Link: [Immunization Requirements](#)

Criminal Background Check and Drug Screen

Accepted applicants will be required to pass a criminal background check and random drug screen which fulfills the requirements of clinical sites. If a potential student does not pass the criminal background check and or drug screen, acceptance will be denied.

More information regarding the required criminal background check and drug screen will be provided with an admission letter.

Technology Requirements

It is highly recommended that students have access to a computer with high speed internet access and a printer. Electronic technology is used extensively in the presentation of content throughout the Anesthesia Tech Program. If students do not possess their own equipment, they should plan to spend at least ten hours per week utilizing on-campus computer lab and/or library resources.

Student Accessibility Services

Students should seek accommodation advice as soon as possible after admission to the Anesthesia Technician program so that a plan for accommodation can be in place at the beginning of the program.

Contact the Office of Student Accessibility Services (see details below) to discuss the process of identifying reasonable accommodations.

- Location: Building 2, first floor
- Telephone 503.399.5192 [voice/TTY]
- Email studentaccess@chemeketa.edu

Reasonable accommodation will be directed toward providing an equal educational opportunity for students with disabilities while adhering to the standards of Anesthesia Technician practice for all students. If a student is dissatisfied with any outcomes from Student Accessibility Services, they may appeal the decision through the Dean of Health Sciences.

Disclosure of Student Information

In compliance with the Family Educational Rights and Privacy Act (FERPA), Chemeketa Community College releases only very limited information regarding students. All Anesthesia Technician students, including those who have filed a Request for Non-Disclosure of Student Information Form, should be aware that some confidential information may be shared.

Contracts with many practicum placement sites require that the criminal background check and drug testing information be made available about students placed at these sites. This information is needed for purposes of student and patient safety.

Every effort is made to limit access to confidential student information to those who have a need to know. For more information regarding Non-Disclosure of Student Information, contact Enrollment Services at 503 399-5001.

Course Costs

The fees for the program are subject to change.

Need Assistance:

Please contact the Health Sciences Department with any questions or concerns regarding applying to the Pharmacy Technician Program.

- Telephone: 503.399.5058
- Email: healthsciences@chemeketa.edu

Anesthesia Technology Program

Application Form

Fall 2023

Student ID/K#: _____

Name (Print): _____

Address (Print): _____

City, State, Zip (Print): _____

Telephone Number (Include area code): _____

Chemeketa email address: _____

Review:

- I have updated my current address and/or phone number with Chemeketa.
