CHEMEKETA COMMUNITY COLLEGE
 TRANSFER GUIDE FOR
OREGON HEALTH & SCIENCES UNIVERSITY
SCHOOL OF NURSING

The Oregon Health & Sciences University (OHSU) School of Nursing offers a three-year Bachelor of Science (BS) degree program. The prerequisites year may be completed at Chemeketa (as outlined below) and the final three years at one of five OHSU campuses: Portland, La Grande, Ashland, Klamath Falls and Monmouth. Applicants need 45 quarter credits of coursework completed **prior to starting courses** at the OHSU School of Nursing. However, students are eligible to **apply for admission** to the School of Nursing if they have completed 30 of the 45 prerequisite credits that are listed below. The 30 credits **must include** Anatomy & Physiology I and Math 095 or higher. These 30 credits must be completed by the end of Fall term **2017** if applying for the Fall term **2018** Nursing class.. Students who are selected for admission to the nursing program must complete the credits to a total of 45 credits prior to matriculation.

OHSU Requirements	Cr Hrs	CCC Courses	Cr Hrs
Human Anatomy & Physiology	12	BI231, 232, 233 within 7 years	12
Microbiology	4	BI234 within 7 years	
Math 95 or higher. (see required competencies below)	4	MTH095	4
Nutrition	3-4	NFM225 within 7 years	4
Written English/English Composition	6	WR121, 122, 227 (choose 8 credits)	8
Human Development (Lifespan)	3	PSY237	4
Social Science Elective	6	Choose two 3 or 4 credit courses from the following recommended prefixes: ANTH; EC; HST; PS; PSY; and SOC.	6-8
Other Electives to equal 45	7-8		7
Foreign Language Competency- Graduation requirement only	Varies as needed		
Total Prerequisites needed	45		45
Additional recommended classes needed for graduation		MTH243, BI102	

Required Competencies:

Written English/English Composition: Courses should cover the development and support of ideas through the medium of written English, academic writing, and research papers that require investigation and integration of evidence and the proper use and documentation of sources. The requirement can also be met through college/university courses that are identified as writing intensive and include the above elements **in addition to at least one composition course** (i.e. WR 121, 122, or 123).

Math 95 or higher: Competency for math 95 or above must be demonstrated prior to application to the nursing program. Competency may be demonstrated by a math placement test or by successful completion of Math 95 or higher. *Note: Math 95 credits are not transferable credits for the Bachelor's degree, however, Math courses that are 100 or higher may be included in the credits that are applied to the prerequisites and to the degree. The student is advised to consider the prerequisite for Statistics, which will be required later in the nursing program.*

Basic Computer Literacy: Students are advised that success in a nursing program requires that students be computer literate, including at least word processing, use of spreadsheets, and web searches. Students without computer experience should seek out opportunities for remediation in this competency prior to entering the nursing program.

Foreign Language Proficiency Requirement : Language proficiency is a baccalaureate graduation requirement that can be met by 1) two years of high school language, 2) two quarters or one semester of college level language, or 3) a language proficiency examination. College level (100 and above) credits in the foreign languages count toward the 45 prerequisite credits as well as the baccalaureate degree credits. American Sign Language is an accepted language to meet this requirement.

Humanities Electives: It is recommended that applicants take a humanities course prior to starting the nursing program, however it is not required. Students of the nursing program are required to complete a total of 9 quarter credits of humanities electives to earn the Bachelor of Science degree. Courses can be from any of the following prefixes numbered 100 or higher: ART; ASL; ENG; FR; HUM; JNP; JPN; MUS; PHL; REL; RUS: SP; SPN, TA,WS

OTHER INFORMATION

- Application deadline is February 15, 2018
- The minimum application GPA is a 3.0. This means that only the **prerequisite GPA** will be calculated for admission assessment to the 3 year program.
- Applicants must have completed at least the first quarter of Anatomy and Physiology and the Math 95 or higher courses as part of their 30-45 prerequisite courses in order to apply by the February 15 deadline.
- All prerequisites must have been taken for grade ("C-" or higher) rather than pass/no pass.
- OHSU School of Nursing uses an online application process Nursing CAS www.ncas.org. For more information about the application process and to review current program information, visit OHSU's Website at www.ohsu.edu/son.
- This document is a guide; final decisions regarding the acceptance of prerequisite course work is made by the OHSU School of Nursing Registrar's Office. The OHSU School of Nursing reserves the right to make changes to the academic program structure.

Application for financial aid should be mailed between January 1 and February 1 for fall term to receive priority consideration. Applications are available in the Chemeketa Financial Aid office or Advising/Counseling Center. Information about financial aid at OHSU is available at the Portland Campus - (503) 494-7800 or 1-800-775-5460.

This guide is subject to change and should not be regarded as a contract between OHSU and students attending Chemeketa Community College. Contact with Oregon Health & Sciences University is recommended for most current information.
